Surprises Galore!

Over the last year, the Officers involved with the Chelmsford Police Athletic League have committed themselves to expanding the programs.

For the past five summers, families have invaded the McCarthy Middle School fields and enjoyed themselves to a "Free Outdoor Movie Night." As always, this event will again take place on the last Thursday of August – mark your calendars for a family-fun event! This year's movie is "Kung Fu Panda."

In the fall, CPAL offers two events for Middle Schoolers. Our Flag Football League continues to be one of the biggest Leagues with over 80+ players registered every year. In 2009, we introduced our Girls Middle School Volleyball League and sold out the League!

In the early spring, CPAL sponsors the Elementary Girls Volleyball. Girls in Grades 3-4 took over the gym and worked on their volleyball skills and had an opportunity to build on personal qualities to advance them through life.

Our spring season of Street Hockey has proven to be another competitive and challenging program. With an increase in participants, the challenge for the Championship is higher than ever! In 2010 we partnered with Greater Lowell Dek Hockey and were provided with use of their rinks!
